

PRIVACY POLICY FOR MOBILE GAME "FireFly"

Last updated: June 10, 2023

This privacy policy governs your use of the game "Firefly " (later referred as the/this "Game") for Android™ mobile devices that was created by Fluxion Games

The Game is a mobile Android Game intended to provide entertainment.

What information does the Game obtain and how is it used?

User Provided Information

The Game does not require any user registration. The Game does not require the user themselves to provide any personal information.

Automatically Collected Information

The Game is created using the software Unity Engine.

The developer itself does not collect or upload any information to a server.

However, the Game uses the following packages, which collect certain types of user data as specified below:

- Unity Ads
 - [Link to Unity Ads data safety declaration](#)
- Unity Legacy Analytics
 - [Link to Unity Legacy Analytics data safety declaration](#)
- Unity Analytics
 - [Link to Unity Analytics data safety declaration](#)

The game does not collect any additional data than stated

The game may contain links to other web services, which do not belong to the developer, thus the developer is not responsible for the data safety of those services.

Data Retention Policy, Managing Your Information

It is not possible to request for data deletion.

Your personal information will never be sold to third parties.

Children

Our Game does not address anyone under the age of 16. We do not knowingly collect personally identifiable information from anyone under the age of 16. We do not use the Game to knowingly solicit data from or market to children under the age of 16.

Safety

Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches (e.g., a zero-day attack targeting mobile Operating System – OS).

In order to ensure an optimal security, you shall regularly install any Game's update available from the mobile Game marketplace.

We also advise you to regularly check for any Android OS update(s) that could be available and to enable automatic updates.

Changes

You are advised to review this Privacy Policy periodically for any changes, as continued use is deemed approval of all changes. Changes to this Privacy Policy are effective when they are posted on this page.

Your Consent

By using the Game, you to the processing of your information.

Game Progress Loss

We are not responsible for any game progress loss. The game save files are stored locally on your device, and the safety of these save files are your responsibility .
